

Best Start Assessment Times Kindergarten 2012

Please note your child's Best Start assessment date and time below. You will need to bring your child to the school office for your child's appointment and Mrs O'Dwyer will direct you to where the assessments will be taking place.

Please note that this will be a non-threatening and friendly visit and the students will be working with Mrs Green at this time. The assessment should take between 30 – 40 minutes to complete. There is no need for any preparation whatsoever.

Please ensure that you are on time for your appointment. If for some reason, you are unable to make your scheduled appointment time, please contact the school as soon as possible so that an alternative can be arranged.
