Dear Parents and Carers

The Union Cycliste Internationale (UCI) Road World Championships is being held in Wollongong from 18 to 25 September 2022. For more information about the Championships visit <https://wollongong2022.com.au/faqs/>

The Department and other NSW Government agencies have been working in partnership to determine what the impact of this event will have on our school communities.

Our school will be open and operational; however, access will be limited due to a significant number of roads in Central Wollongong being closed.

I encourage you to become familiar with the road closures and this can be found at the link above or visit the Frequently Asked Questions at the UCI website listed above to support you in planning your trip. This may require your child having to take an alternate route and allow extra travel time.

Thank you for your understanding of this matter. Please contact the school on 4284 4527 if you have questions about this matter. Alternatively, should you want to learn more about this upcoming event, follow the link to <https://wollongong2022.com.au>

Yours
