## END OF YEAR DANCE CONCERT: STUDENT ORGANISATION

Dear Parents and Carers,

This year's End of Year Dance Concert will take place on **Monday 28<sup>th</sup> November, 2022** and will showcase the Dance2BFit performances for all classes K-6. The matinee and evening performances are planned to be absolute extravaganzas! In addition to the performances, Corrimal High School will be providing photography, videography, lighting and stage management. It will be a real professional show!

On the day of the performance, **all students are expected to be at Corrimal High School by 8:55am**. School will remain open for Early Intervention Unit students only. Teachers from Towradgi PS will be onsite from 8:25am. Students arriving earlier than this will not have supervision provided until 8:25am.

Students need to come dressed in their 'costumes' ready to perform. From 9:00am until 11:30am, there will dress rehearsals before breaking for lunch. Students need to bring a packed lunch and recess, the same as a normal school day. **After the Matinee performance, students must be picked up from Corrimal High School no later than 2:55pm**. Then they will all need to **return no later than 5:30pm**.

If your child is being dropped off and or picked up by someone other than yourself, please indicate on the tear off note below. Also, if your child has any medical needs, please complete the second tear off section.

**PLEASE NOTE THAT DUE TO ALL STAFF AND STUDENTS ATTENDING CORRIMAL HIGH SCHOOL, TOWRADGI PUBLIC SCHOOL WILL BE OPEN ONLY FOR EARLY INTERVENTION STUDENTS.**

Mr Santos  
Concert Coordinator
